COLLECT

Keep us O God, from pettiness; let us be large in thought, in word, in deed.

Let us be done with fault-finding and leave off self-seeking.

May we put away all pretense and meet each other face to face, without self-pity and without prejudice.

May we never be hasty in judgement and always generous.

Let us take time for all things; make us to grow calm, serene and gentle.

Teach us to put into action our better impulses, straightforward and unafraid.

Grant that we may realize it is the little things that create differences, that in the big things of life we are at one.

And may we strive to touch and to know the great common human heart of us all, and O Lord God, let us forget not to be kind.
Federation Theme For 1977-78

Change, Challenge and Respond

To elevate the standards for women in business and the professions.

To promote the interest of business and professional women.

To bring about a spirit of cooperation among the business and professional women of the United States.

To extend opportunities to business and professional women through education along lines of industrial, scientific and vocational activities.

Our Emblem

The Flaming Torch of wisdom lighting the path for the business women of the future.

The Ship of Commerce carrying our message of friendship to the women of other lands.

The Winged Wand of the herald ushering in a new era of opportunity for women.

The Open Scroll of learning, recording our ideals and our faith.

There - with the Winged Victory of Samothrace, emblem of womanhood triumphant, held in a tiny endless circle and cast in shining gold.

The emblem of the National Federation of Business and Professional Women's Club.

EMBLEM BENEDICTION

This Emblem binds us all
In one great sisterhood
It bids us heed our conscience call
For nobler womanhood.

God guide us when we wear
This Emblem o'er our heart
And keep us true and always fair
God bless us as we part.
