NEW FACE FOR BATTER-UP

Those of you who are old-timers in our organization will appreciate the new face that BATTER-UP is wearing this year. Through the financial help of the business people who have ads appearing on the back page, we are now able to mail BATTER-UP to your home each month to keep you informed as to all of our activities which benefit your boy. Any news you may want printed should be given to your league chairman before the 25th of each month.

IN MEMORY

Our deepest condolences go out to the family of Frank Pawlik who was killed by a car on May 9th while returning from a practice game which had been rained out. We regret that our fields cannot always be easily accessible to the boys and we cannot be responsible for transportation, therefore we urge the parents to make arrangements for a ride or a safe bicycle or walking route. The family of Frank Pawlik will receive a check for $3,500 from our baseball insurance coverage.

CAUTION PLEASE

When approaching the neighborhood of our various fields, please use caution as there are many little children around the parks and residential neighborhoods. Respect the property of nearby homeowners and do not block driveways or run up on lawns, and above all, DRIVE SLOWLY. We have had numerous complaints.

OPENING DAY

Opening Day brought out a crowd of 800 to watch our Village President, Fred M. Dumke throw out the first ball of the season. On behalf of Congressman Ed Derwinski, Trustee Ed Roche presented Ray Becker with a flag which flew over the White House on May 15th. Due to the untiring efforts of Claire Clark, the concession stand was in full swing. Thanks to all the men who worked so hard to finish construction of the stand. We hope you all have a wonderful season of baseball fun.

ODE TO OUR SPONSORS

Last night I attended at dinner at the Oak Lawn Athletic Club with Mr. Softee. The food was purchased from the Red Carpet Mart and was served in an Arena Bowl by the pretty waitresses from Fields Restaurant. The main course consisted of roast Elk and baked Lion with a side dish of Romeo's Pizza. After dinner we got into our Quality Chevrolet and turned on the Radio Core radio. According to my Tampa Jewelers watch, we just had time to see the new show opening in town. It was a story about the Knights of Columbus starring Wiegel & Kilgallen. All the members of the St. Gerald Holy Name Society, the Non-Partisans and the Independent Voters were there. Then the excitement started. The Police Dept. had to hold back the crowd when the Fire Department arrived in a Brandt's Redi-Mix truck to put out a small fire in the rear of the theatre. The damages were quickly repaired by Towne Heating and Trongeau Paint, and Scarborough Insurance paid for the repairs with an Oak Lawn Trust & Savings Bank check.

The End

ATTENTION PARENTS!

Have you seen a baseball game lately? If not, you don't know what you are missing. Excitement reigns supreme in all of our leagues from the little Minors to our professional-like Connie Mack league. Plan to have supper at 98th & Central soon, and enjoy a Little League game. But parents - please remember - no personal remarks to the players in any of the leagues during the games. This only confuses the boys, and while they are playing, their signals and instructions are to come from their managers and coaches only. Cheer, yell, and above all give credit wherever it is due. We are trying to set a good example.

INJURY REPORTS

All injuries MUST be reported immediately on the forms that you have in your possession, to Tom Johnson, GA 2-4173, 4333 W. 99th Place. It is necessary that Mr. Johnson notify the insurance company within 20 days after the date of each accident, otherwise OAK LAWN BASEBALL FOR BOYS will have to pay the medical expenses. Parents, managers and coaches - PLEASE Cooperate.

DRURY LANE

OAK LAWN BASEBALL FOR BOYS will sponsor the opening night showing of "Good Housekeeping" starring Myrna Loy at the Drury Lane Theatre on Aug. 6th. Tickets are $3.50 each. Be sure to get your tickets early from your team manager or team mother, as this is sure to be a sell-out for opening night.

BABE RUTH PICNIC

Everyone is invited to attend the Babe Ruth League picnic to be held on September 15th at Rubio Grove #3 on 147th Street between Ridgeland and Central. Door-prizes - games - fun for all. For further information, call Frank Minervini, GA 3-1356.

Memorial

Oak Lawn Baseball For Boys wishes to thank Mr. and Mrs. Frank Pawlik for the very generous donation they presented in memory of their son, Frankie, who was killed on May 8th, while on his way home from baseball practice.

Help! Help!

September 14th has been designated WORK DAY. Adult help is urgently needed at the Little League fields at 98th and Central to get the fields in shape for next year. All fathers who can spare any time that day are requested to come out with rakes, shovels, wheelbarrows, hoes, sickles, or just a plain "will to work." We would like to have tournament play in Oak Lawn next year, and much is to be done to comply with Little League rules for tournament play. Please come out and give us a helping hand.

Lost & Found

Many items have accumulated at the Lost and Found at 98th & Central...hats, gloves, jackets, sweaters, etc. If you can properly describe any item you may have lost to Mrs. Claire Clark, GA 2-8132, she will be happy to return it to you. Unclaimed items will be disposed of.

Thank You

Mrs. Claire Clark, Chairman of the Concession Stand Committee, deserves a great big round of applause for a very successful first year. The Concession Stand showed a remarkable profit, and Claire worked every day to see that things were in order and supplies were adequate to fill the demand. She wishes to thank the mothers and team mothers who assisted in the stand. Gloria Rogers will be handling the Concession Stand next year, and hopes to receive the same cooperation that Mrs. Clark was given.

Drury Lane Report

343 people attended the Drury Lane Theatre Party on August 6th. A profit of $237.00 was made, but it should have and could have been much higher. Had the house been sold out, (668 seats) we would have netted a profit of $1200.00. More cooperation please.

Installation Report

On August 20th, 31 women attended the Installation of new Auxiliary Officers dinner at Banana's Steak House. Outgoing president, Cerinne Kalafut, received a beautiful plaque for her outstanding service to the Auxiliary during the past year. Be sure to attend the September 18th meeting at Blake-Lamb Community Room.
Babe Ruth Champs

Much has been written in all the papers throughout the United States about our wonderful Babe Ruth All-Star team. We find it very hard to say anything that hasn't already been said. Oak Lawn Baseball for Boys is proud that you are part of our organization. Everywhere you traveled, you were a credit to our town and our organization. Many many people, too numerous to mention in this small paper, deserve our thanks in making your travels possible. Our Oak Lawn Board of Trustees, the businessmen, OLEB members, the Auxiliary, various clubs and organizations, and "just plain people" all helped to pay your expenses. We hope that you will go through life continuing to be Champions.

SO YOU WANT TO MAKE A HAT

The March 18th Auxiliary meeting will be titled "So You Want To Make A Hat." Noreen Boddy, President, urges all old members, new members and friends to be present and to bring along a scissors, needle and your imagination. Our Events Committee chairman, Corinne Kalafut, whom I might add is a very talented gal, will have all the material and fixings available as well as her expert advice, so that we can make our own spring bonnets. The business meeting will be short and the rest of the evening should be a lot of fun.

A card party and jewelry demonstration will take place after our April meeting. If you have any prizes or white elephants you would care to donate for our card party, please see that Corinne gets them at the March meeting. Mark your calendar for the 3rd Wednesday of each month, and come out and join the fun.

Dorry Gotsis, our Membership Chairman, urges all Auxiliary members to pay their $1.00 dues for 1964 before the end of March so that her records can be brought up-to-date. New members are welcome always. Call Dorry at GA 5-0890 if you are interested.

OLBB LADIES NIGHT

Tom Johnston, OLBB President, has officially declared the March 24th meeting as "LADIES NITE." All moms and auxiliary members are invited to attend this meeting at the fieldhouse at 98th & Central at 8 PM. This is our opportunity to sit in on a men's meeting and see how the baseball wheels of progress are turned. It will be a good opportunity to meet all the officers and managers and coaches who work so hard to make OLBB the successful organization that it is. Be sure to make plans to attend this meeting.

WELCOME BALLPLAYERS

A sincere welcome to all the new boys who registered on February 22nd, and a welcome back to many of the old-experienced ball players. We now have approximately 850 boys registered to play ball in 1964. This represents about 200 more boys than we had last year, and makes OLBB the largest organization serving our youths in Oak Lawn. We are proud of what we are doing with just a handful of active men who can really be depended on. If you like baseball and small, medium or large size boys (take your pick), we can offer you many pleasant summer evenings of fun and excitement on the ball field. Managers and coaches are needed.

IT'S BEEN A PLEASURE

I am very happy and proud to report that Norman and Claire Clark will soon be taking over as Co-Editors of BATTER-UP. We have come a long way with this little paper in the past four years, during which time I have had the pleasure of being your editor and keeping you informed of news and happenings in all the leagues. Some of the old-timers will remember the mimeographed papers I used to crank out in the basement, and which wound up in many a hip pocket of a baseball uniform, never to get home. Now, with the financial help of our advertisers, we have taken on a more professional look and are able to mail your BATTER-UP to your home, thus creating a closer tie between the organization and the family.

(continued)
I want to thank the many people who have worked with me in the past four years to make BATTER-UP what it is today, and I sincerely hope you will cooperate with Norm and Claire Clark in sending them news, as there is nothing worse for an editor than to sit down at a typewriter with nothing to write about.

My best wishes to two very capable people - Norm and Claire. It's been a real pleasure and lots of fun.

Audrey Alm, Editor

HIGHLIGHTS

Sorry to hear that Carl Larsen of the American League Minor Division Blue Jays had to spend some time at Christ Community Hospital. Hope Carl is well and back to normal by now.

* * * * * * * *

In the February issue of BATTER-UP, we reported that Tom and Billy Dvorak's dad had been in a very serious auto accident. Mr. Dvorak is reportedly doing well, but will still be in the hospital for some time. To make matters worse, 4-year old Sandra Dvorak passed away on February 22nd. Our prayers are with this brave family.

Ray Becker, Player Agent of the National Division, reports that 375 boys are registered in his division as follows:

53  8-yr. olds
74  9-yr. olds
90 10-yr olds
96 11-yr olds
62 12-yr olds

They are planning to have 8 teams in each league, namely, minor league, farm league and little league.

If anyone is interested in purchasing an ad on Page 4, please contact Mary Minervini at GA 3-1356. A few spaces are still available at a cost of $15.00 per year, starting with the June issue.

* * * * * * * *

Don't forget to keep May 17th free for Opening Day ceremonies at the Little League field at 98th and Central. All boys are expected to be there in full uniform to be introduced to the crowd for the official start of the baseball season.
