HISTORY OF ST. GERALD SCHOOL

St. Gerald School was originally built in 1929 and staffed by the Sisters of St. Francis, Clinton, Iowa.

Due to the large increasing enrollment, the first addition was built in 1949, with another addition in 1957. A tornado, with the exception of four classrooms and the basement rooms, demolished the original structure. During the construction of the building that was replacing the one destroyed by the tornado, the students attended school at other sites: Burbank Manor Presbyterian Church and St. Nicholas Greek Church in Oak Lawn.

The present structure consists of an office complex, a faculty lounge, a parish meeting room, a music and band room, a library complex, a science lab, a computer lab, a resource room, a P.E. room and cafeteria, and multiple classrooms.

At present, the wing that connects the main building to the church, is our newly remodeled Arnold Hall.

ST. GERALD PARISH MISSION STATEMENT

WE ARE THE FAMILY OF ST. GERALD – People of God, brought together in the Eucharist as the Body of Christ. We gather as sisters and brothers with the Lord, welcoming and inviting others to journey with us to become more like Christ. We strive for spiritual fulfillment by building a community of love and service.

ST. GERALD CATHOLIC SCHOOL MISSION STATEMENT

We at St. Gerald School believe that each individual is unique in her/his potential. We are committed to provide quality Catholic education for each student. We encourage achievement with dignity and strive to establish a deep sense of commitment to the religious truths and values of the Catholic faith. We desire to equip each child to be a true Christian witness relating and living the gospel message.

LOGO SYMBOLIZATION

The thick, solid line under St. Gerald School represents the strength of the school’s staff and teaching agenda.

The sign of the cross and the school structure were purposely not closed up to represent St. Gerald's –open" type attitude to the needs of the community, students and their families.

The whole logo represents all educational efforts provided by the school staff, the school organizations, the church, the parent volunteers…and all available under one roof.
ST. GERALD CATHOLIC SCHOOL PHILOSOPHY

We, the faculty of St. Gerald School, in response to the Good News, will aid our students spiritually, intellectually, psychologically, and socially. We will strive to preach the Good News in a community based on Gospel values.

**Spiritual Goals**

We will provide religious experiences that pursue the continual study of Catholic Theology and help our students live out the message of Jesus Christ. Regular participation in Eucharist, various forms of prayer, and reception of the sacraments will be emphasized. Each student shall be taught how to apply values based on Catholic doctrine proclaimed in the Gospel.

**Intellectual Goals**

We will encourage our students to develop their individual gifts and talents. Our curriculum will emphasize the basic learning tools. We will enhance basic communication skills through listening, speaking, reading, and writing. We will encourage our students to investigate, analyze and apply theories in daily living, and develop critical and creative thinking. An understanding of how technology enhances life and education will be fostered.

**Psychological Goals**

We believe in guiding our students in a nurturing atmosphere where love and trust are evident. We will help them in the development of their feelings of self-worth, self-awareness and self-confidence.

**Social Goals**

We are entrusted with the responsibility of developing our students as social beings with social skills and virtues to live in harmony in a diverse society of all races, cultures, and nations. Learning languages beyond English is encouraged. We strive to instill a sense of responsibility in our students that will affect changes to help bring about a more just world. We must foster respect for self and others while working towards building the family of God on Earth.
ADMISSION POLICY

St. Gerald School is operated under the auspices of the Catholic Bishops of Chicago, a corporation sole, in the Archdiocese of Chicago. St. Gerald School admits students of any race, color, sex, national and ethnic origin to all rights, privileges, programs, and activities in this school. St. Gerald School does not discriminate on the basis of sex, race, color, or national and ethnic origins in administration of educational policies and school administered programs.

ADMISSION AND RETENTION POLICY

Age requirement: To enter three year old preschool, a child must be three years of age on or before September 1st and must be toilet trained. Admission Priority: All school families must submit an application for a sibling who will be new to St. Gerald School. School applicants who register during registration week in January are considered registered for the following year. It cannot be assumed that siblings at home are automatically registered; you must register new siblings during registration, even if there are already children in the school. The priority for admission is listed below.

1. Parishioner with children already enrolled in St. Gerald School or with graduated siblings
2. Parishioners without children already enrolled in St. Gerald School
3. Non-Parishioners (Catholic) with children already enrolled in St. Gerald School

7. Non-Catholic students will be accepted based on availability

At the time of registration the student's original birth and baptismal certificates must be presented.

Requirements, Physical, Dental, Vision examinations, and Immunizations:

Illinois State Law requires all children entering preschool, kindergarten, sixth grade or new student entering the school to have a completed physical and dental examination. Any student not in compliance must be excluded from school. This applies to children who are currently enrolled as well as those enrolling in the school for the first time. All students are required to have two (2) doses of live measles vaccine and proof must be shown that students have been vaccinated against Hepatitis.

Also, included in the immunization schedule required by the State, is a tuberculin skin test administrated using the intradermal Mantoux method, not a multiple puncture test. This is required if a child resides in an area designated by the Department of Public Health as having a high incidence of tuberculosis. Cook County is one of six counties that a tuberculin skin test is a requirement.
Illinois State Law requires all children entering kindergarten or new to entering a school receive a Vision Examination by a licensed optometrist.

Retention: Teachers must inform the principal and parents if they are considering retention in a timely fashion. Students who fail two out of four quarters in a core subject area will be required to attend a recognized summer school program. Proof of satisfactory completion of this recognized summer school program must be presented to the principal before a child will be promoted to the next grade level.

ALCOHOL AT CELEBRATIONS

Alcoholic beverages are not to be served at school and school sponsored events that celebrate children—dinners, sports, graduation, etc.

AMENDMENT TO HANDBOOK

St. Gerald School Principal reserves the right to amend and/or interpret the handbook for just cause with or without notice. The school will attempt to keep parents informed of all changes. Some changes might be made immediately due to unforeseen circumstances.

APPOINTMENTS FOR STUDENTS DURING SCHOOL HOURS

Every effort should be made to arrange appointments for after school hours. A written note needs to be presented to the office, through the teacher, for the release from school. Children must be signed out by an authorized adult in the school office.

APPOINTMENTS WITH TEACHERS

If a parent wishes to meet with a teacher, an appointment is necessary. The teacher will meet with the parents as soon as possible. Your child’s progress and development is of the utmost importance to the teacher. Do not confer with teachers in the parking lot. Teachers are outside at dismissal for the safety of the children.

ATTENDANCE

It is important to be punctual and in regular attendance in order to receive the maximum benefits St. Gerald School offers.

Please take note of the following:

1. In case of an absence, please call the school and leave a message on the attendance mailbox at 708-422-0121 X 5555 by 8:30AM. Requests for homework must be made at this time. Homework can be picked up at the office at 2:00PM or a request may be made for the homework to be sent with another child.
2. Students must have a dated, written excuse from a parent/guardian upon return to school.
3. A doctor’s release is required for absence due to communicable disease or any medical related absence of 5 consecutive days.
4. A tardy slip will be given to students who are late for school.
5. When a student has excessive tardiness or absences, a meeting with the principal is required with the student and parent/guardian.
6. No child is excused before regular dismissal unless a note is presented to the school office. An adult must report to the office to sign the child out.
7. **Perfect attendance means no absences or tardies throughout the year.**

**BAND**

St. Gerald School offers a band program to students in Grades 4-8. Students receive a weekly lesson during the school day. Students are responsible for any schoolwork missed during lessons.

**BICYCLES**

Those students riding to school are required to park in the bike racks provided on the west side of the school. The school cannot assume liability for stolen or damaged bicycles. Students must walk their bikes any time they are on school, church, or rectory property. Failure to comply will result in disciplinary consequences with the possibility of losing this privilege.

**BULLY PREVENTION**

As Catholics we believe in the dignity and respect of each individual created in the image of God. Bullying is contrary to Gospel values and has no place in the Catholic school community.

Bullying is:
- any intentional, repeated, hurtful act or conduct (physical, verbal, emotional, or sexual) including communications made in writing or electronically,
- occurring on campus or off campus during non-school time,
- directed toward another student or students, that has or can be reasonably predicted to
  - place the student or students in an unreasonable fear of harm to the student or student’s person or property
  - cause a substantially detrimental effect on the student or student’s physical or mental health;
  - interfere substantially with the student or student’s academic performance;
  - interfere substantially with the student’s ability to participate in or benefit from the services, activities, or privileges provided by the school.

Bullying can take many forms, including violence, harassment, threats, intimidation, stalking, cyber stalking, theft, public humiliation and retaliation for asserting or alleging an act of bullying.

Cyber bullying can include all of the above as well as the use of electronic tools, devices, social media sites, blogs and websites to harm a student or students with electronic text, photos, or videos.

Bullying acts or conduct described above can include the following:
- **Physical** which includes, but is not limited to, punching, poking, stalking, destruction of property, strangling, hair pulling, beating, biting, spitting, stealing, pinching, and excessive tickling;
- **Verbal** which includes, but is not limited to, name-calling, teasing, taunting, gossip, and threats whether in person or through any form of electronic communication and the Internet;
- **Emotional** which includes, but is not limited to, intimidation, rejecting, terrorizing, extorting, defaming, humiliating, blackmailing, rating/ranking of personal characteristics such as race, disability, ethnicity, perceived sexual orientation, manipulation of friendships, isolating, ostracizing and peer pressure;
Sexual which includes, but is not limited to many of the emotional acts or conduct described above as well as exhibitionism, voyeurism, sexual propositioning, sexual harassment and abuse involving actual physical contact or sexual assault.

No student shall be subjected to bullying:
- during any school sponsored education program or activity, while in school, on school property, on school buses or school vehicles, at school bus stops waiting for the school bus, or at school sponsored or school-sanctioned events or activities
- through the transmission of information from a school or home computer network, or other similar electronic school or home equipment.

All members of the Catholic school community, parents/guardians, teachers, staff, administrators and others, are expected to work together in preventing bullying and promoting Gospel values in a Christ centered environment. Students are expected to participate in age appropriate educational programs developed by the school that address bullying and teach respect for all.

Bullying by a student or students may result in suspension and/or expulsion from the school.

BULLYING PREVENTION
Administrative Responsibilities

The Fifth Commandment calls us to foster the physical, spiritual, emotional and social well-being of self and others. United States Catholic Catechism for Adults, page 389

Children are unable to eliminate acts of bullying or harassment without adult support, guidance and intervention. Therefore, school personnel have a responsibility to see that:
- all allegations and incidents of bullying are taken seriously,
- parent / guardian and/or student reports of bullying must be addressed immediately,
- written documentation must be prepared and maintained by the school on the Bullying Complaint Report Form.

Appropriate disciplinary consequences are applied to the offending student(s). The following procedures are followed.

- When disciplinary action is taken against student(s) as a result of a bullying complaint
  - documentation should indicate what happened and what action was taken.
- Written documentation of the complaint must be placed in the student(s) file, as would documentation of other disciplinary action involving student(s).
- Whenever a bullying complaint is made by or on behalf of student(s), the school must place the record of what action was taken in the student(s) file.

The principal or administrator must notify the school’s Assistant Superintendent of bullying complaints and the action taken.

Clear, consistent behavioral standards should be publicized, posted and fairly enforced in each school.

Educational programs that address bullying should be developed and implemented at all grade levels.

Illinois Public Act 92-96, S.B. 1026 provides that whoever by threat, menace, or intimidation prevents a child entitled to attend a public or non-public school from attending that school or interferes with the child’s attendance at that school is guilty of a Class A misdemeanor.

Notification of any change of address or telephone number is necessary. This includes your home, work, cell, and emergency numbers. When choosing emergency persons, please be sure that they are available during the day and have access to a vehicle. You must provide three emergency persons.

CHAPERONES
Field trips, dances, and social events require an adequate number of adults trained as chaperones and approved by the principal.

Chaperones must be at least 21 years of age and must comply with the following Safe Environment Requirements:

- Archdiocese of Chicago Application for Employment or Volunteer Service (Form 7703)
- Criminal Background Screening - All volunteers who work with children must complete an online background check. **No one may volunteer unless the criminal background check has been completed and approved.** Volunteers are required to complete the eAppsDB form online.

CHILD ABUSE

Policy GP 602.2  The Archdiocese of Chicago shall follow the Illinois Abused and Neglected Child Reporting Act and Archdiocesan procedures when allegations and/or suspicions of child abuse are made against Archdiocesan personnel.

Allegations/Suspicion of Child Abuse or Neglect by School Personnel
Archdiocese of Chicago documents related to Child Abuse Allegations by School Personnel are under revision. In the meantime, the principal must contact the Office of Catholic Schools immediately when an allegation is made about a school employee or volunteer. The principal will be directed regarding the steps that must be taken to report the allegation or suspicion of child abuse to the appropriate Archdiocesan agency and to civil authorities.
The \textit{Illinois Child Abuse and Neglect Reporting Act} mandates that school personnel report alleged or suspected child abuse and/or neglect to the \textit{Illinois Department of Children and Family Services (DCFS)} when the alleged abuser is a parent, guardian, relative, or other caretaker who has some responsibility for the child’s welfare at the time of the abuse of neglect.

Illinois law requires school personnel to notify DCFS even if there is a suspicion of child abuse or neglect. Thus, the school professional need not have proof or convincing evidence of the abuse; merely suspicion of abuse make a call to DCFS necessary. Furthermore, Illinois law protects school professionals from litigation if the DCFS call was made in good faith.

\textbf{Mandated Reporters}

All school personnel including administration and both certified and non-certified staff must contact the Department of Children and Family Services (DCFS) when they have reasonable cause to believe that a child who is seventeen years of age or younger whom they know in their professional capacity has been harmed or is in danger of being harmed – physically, sexually, or through neglect – and that a caregiver either committed the harm or should have taken steps to protect the child from harm. This call must be made immediately and no one in the workplace is permitted to restrain the call. It is not sufficient to make the report only to the principal or school nurse. The mandated reporter must be certain that the call has been made.

- All Mandated Reporters are required to complete the \textbf{CANTS 22} form acknowledging an understanding of the reporting requirements.
- All Mandated Reporters are required to complete the \textbf{CANTS 5} form \textbf{Written Confirmation of Suspected Child Abuse/Neglect Report: Mandated Reporters} when reporting an allegation or suspicion of child abuse or neglect.

Child Abuse and Neglect Tracking System (CANTS) forms are available on the Department of Children and Family Services Web site under –Forms.[1]

\section*{CHILD CUSTODY}

Before accepting a student for admission, school personnel must verify that the person enrolling the child is the legal guardian. If someone other than the parent/guardian seeks to enroll a child, school personnel must be presented with a court order appointing the person as legal guardian of the child. If the person is unable to present such proof, the assistant superintendent should be contacted immediately to discuss the situation.

\textbf{Custody/Guardianship Issues}

Should one parent have sole custody of a child, the child’s other biological parent is still the legal guardian of the child unless guardianship has been taken away legally by the court. A parent who has been granted sole custody of a child in a divorce proceeding is not necessarily the sole legal guardian of the child.

A non-custodial parent is not prohibited from participating in school activities, volunteer activities, recitals, performances, parent meetings and other events, unless an order of protection is in effect that prohibits the parent from having access to his or her child, to school information about the child, and/or unless the parent is a registered sex offender. \textbf{If the parent is a registered sex offender, he/she will still have some rights to be on school grounds, although the extent to which the parent may be on school grounds will be governed by the terms of a community supervision order. When confronted with this issue, the principal is to contact the assistant superintendent immediately.}

Likewise, a grandparent or a stepparent is not the legal guardian of a child unless appointed by
court order. When a document calls for the signature of the parent or guardian, a signature of a stepparent or grandparent does not suffice.

**Release of a Child to Non-Custodial Parent**
If the non-custodial parent asks the school to release the child and the school determines that the custodial parent may not be expecting release of the child to the non-custodial parent, it is imperative that the school contact the custodial parent. The custodial parent is to be informed immediately that the non-custodial parent is requesting release of the child.

The school should never release a child to a non-custodial parent if there are concerns regarding the child’s welfare and safety. In such cases, the non-custodial parent may be denied access to the child. If necessary, local law enforcement should be contacted.

Generally, in situations where there are concerns regarding the release of a child to a non-custodial parent, it is best to contact the assistant superintendent and/or the Archdiocesan Office of Legal Services.

**Parent-Teacher Conferences/Communication**
In the absence of a court order, a school should provide the non-custodial parent the opportunity (upon request) for a parent teacher conference. The conference should be scheduled at a time other than that of the custodial parent unless both parents do not object to the same conference. Likewise, the sharing of school information pertinent to the child should be provided to the non-custodial parent in a timely fashion.

**COMMUNICATION**

Family envelopes, that contain important school information, will be sent home weekly with the youngest student. The envelope should be signed and returned the following day. RENWEB will be our main connection to what is happening at school. Check our web page, [www.stgerald.com](http://www.stgerald.com) for access to teacher e-mail, and 422-0121 for voice mail accounts. You should also check RENWEB for updated information.

Sports eligibility and eligibility procedures are determined for the good of the student and the school community. School administration respects the voice of the SGAC when determining policies. The current sports eligibility policy and procedure is viewable at the school office.
If a student is absent from school on a given day, then evening practices, games, and other activities of St. Gerald School are not to be attended by that student.

**DISCIPLINE**

In guiding the child’s growth in Christian attitudes, we believe it is better to emphasize the positive rather than the negative. The essence of Christian discipline is SELF-DISCIPLINE. The child should be guided in choosing one form of behavior over another and in accepting the consequences of his/her behavior.

It is important for all students to show respect for adults, other students, and school property at all times. Each incident is examined on an individual basis. It is important that both the home and the school work together in disciplining students, as both have the best interest of the students in mind.

There will, of course, be incidents of thoughtlessness and even rudeness during the course of a school year. Normally the classroom teacher will deal with these situations appropriately; examples: verbal warnings, prompts, etc.

Appropriate behavior by each student is essential to ensure the best learning environment in school. Inappropriate behavior will result in disciplinary action such as a behavior notice, temporary removal from classroom or instruction, appropriate written assignment, detention, suspension, or expulsion.

**Behavior notice** – A behavior notice is written by a teacher/staff member to inform parents/guardians that their child may be experiencing some difficulties. By sharing this information, it is our hope that all students become thoughtful and productive members of our St. Gerald School Community. The student must return the behavior notice with a parent signature on the next school day. After a student has received three behavior notices in a quarter, he/she will receive a detention notice for the fourth behavior notice and each subsequent notice. Any student who receives 9 or more behavior notices in a quarter, will serve an in school suspension. The current version of the behavior notice for any grade is viewable at the school office.

**Tardy notice** – A student is expected to be on time for school. If a student enters the classroom after the 8:00 A.M. tardy bell, he/she is tardy and will be given a tardy notice. A student must return the tardy notice with a parent signature on the next school day. After a student has received three tardy notices in a quarter, he/she will receive a detention notice for the fourth tardy notice and each subsequent tardy. The current tardy notice is viewable at the school office.

**Detention** - If a student receives more than three behavior or tardy notices per quarter, the student will serve an after school detention. Parents will be notified in writing and the student must return the detention notice with a parent signature on the next school day. All detentions will be served after school on Thursdays from 2:45 P.M.-3:30 P.M. The parent/guardian is responsible for the child’s transportation home after detention. If a student is not picked up at 3:30 P.M. through the south doors, the child will be sent to extended day and the parent will be assessed accordingly. With the exception of a medical excuse/illness, a student who fails to serve their detention will be disciplined at the principal’s discretion. Behavior notices are not always issued prior to an after school detention depending on the infraction. A child’s behavior may be determined so serious that a detention or more serious consequence will be issued immediately. **Any student in grades 6-8 who receives a detention or more serious consequence will not be eligible for honor roll status that quarter.**
Suspension – Suspension is a period of time given to the student to improve or correct serious or repetitive inappropriate behavior. It is an exclusion of a student from the classroom and/or school for a designated time. During this time, the student may not attend any school related activities. This will generally not exceed one week.

Expulsion - Expulsion is the termination of the student’s privilege to attend St. Gerald School and will require the student to transfer to another school. It is invoked in extreme cases when all available means of discipline have been exhausted and have failed. Archdiocesan policies regarding expulsion will be followed.

Although this discipline policy outlines many of the behaviors that are counterproductive to the educational process, it cannot cover all of the possible situations that may occur. It is within the authority of the teachers and administration to take action and make decisions for the safety and well being of the students and staff of St. Gerald School and is not limited to this discipline.

ELECTRONICS

Bringing any cell phone or other digital device to school is discouraged. If a cell phone or other device is brought to school it must be left at the school office at arrival time WITH A NOTE FROM PARENT DESCRIBING ITS NECESSITY. The device may then be picked back up at the school office when the student is leaving the campus for the day (i.e. AFTER clubs, activities, tutoring, homework help, extended day and detention). If a student is in possession of a device between arrival and dismissal, even in a backpack, the device will be confiscated. The confiscated item can only be picked up by a parent. On a second infraction, the device will be kept five days before it can be picked up by a parent or a fine paid of $10. The school assumes no responsibility for any electronic device brought to school or deposited at the office. This policy includes field trip days, and includes a behavior notice issued if an infraction occurs at any time.

The school will treat complaints of harassment seriously and will respond to such complaints in a prompt, confidential, and thorough manner. Guidelines to aid school administrators in recognizing and responding to harassment include the following examples:

- ranking/rating of personal characteristics such as race, disability, ethnicity, or perceived sexual orientation
- jokes, stories, pictures, cartoons, drawings or objects which are offensive, tend to alarm, annoy, abuse, or demean an individual or group

Failure to recognize and stop harassment of any type promotes a negative environment which is unacceptable in Catholic schools.

HEALTH REQUIREMENTS

All children in Illinois shall present proof of having had a health examination and received such immunizations against preventable communicable diseases as required by the Department of Public Health. These records are to be presented to the school before the first day of school.

If a child is not in compliance with the health and immunizations requirements by the first day of school, the principal shall exclude the child from school until the child presents proof of having had the health examination and presents proof of having received required immunizations.

Health Examinations and Proof of Immunization
All children in Illinois shall have a health examination as follows:

- immediately prior to or upon entrance into any public, private or parochial pre-school or transferring from outside of the State of Illinois,
• prior to entering *kindergarten or the first grade*,
• upon entering *sixth and ninth grades*.

**Dental Examinations**
All children in kindergarten and the second and sixth grades shall have a dental examination by a licensed dentist. Parents/guardians are to be reminded of this requirement 60 days before May 15th of each school year. Parents/Guardians seeking an exemption to this requirement must submit the *Dental Examination Waiver Form*, provided by the State of Illinois Department of Public Health, to the school administrator.

**Vision Examinations**
A new law effective January 1, 2008, requires that all children enrolling in public, private or parochial for the first time or entering kindergarten school shall have an eye exam. Parents/Guardians are to be notified of this requirement.

Proof of having been examined by a physician licensed to practice medicine in all its branches or a licensed optometrist is to be submitted to the school. Report cards may be held if the student is not in compliance with this regulation.

This requirement may be waived for those families who show an undue burden or a lack of access to a physician licensed to practice medicine or to a licensed optometrist.

**Medical Objections**
- The *Physician Statement of Immunity* must be attached to the *Certificate of Child Health Examination* form.
- Questions regarding *medical exemptions* should be directed to the Regional Immunization Representative or the Illinois Department of Public Health Immunization Section at 217-785-1455.

**Religious Objection to Immunization and Vision Examination**
- Under Illinois law, a religious objection to immunizations or vision examinations must be in writing and must set forth the specific religious belief which conflicts with each immunization or examination.
- It is the responsibility of the Archdiocese of Chicago, as the local authority, to determine whether the written statement constitutes a valid religious objection.
- The written objection to immunization or the vision examination must be sent to the appropriate assistant superintendent so a determination can be made as to whether the objection is valid under Illinois law.

The written objection must be submitted to the school administrator by the parent or legal guardian. No student whose parent or legal guardian has asserted a religious objection may be allowed in school until a determination has been made as to the validity of the religious objection.

**HOMEWORK**

Homework is the responsibility of the child. If a child spends an unreasonable length of time on homework, the teacher must be consulted. *Written work, study, oral assignments are considered homework.* Each grade level will communicate to parents regarding its assignment policy.

**LUNCHROOM/LUNCH TICKETS**

St. Gerald is part of the National School Lunch Program Non-Discrimination statement. This facility is operated in accordance with U.S. Department of Agriculture policy, which prohibits discrimination on the basis of race, color, sex, age, handicap, religion, or national origin.

Children must use lunch tickets to purchase a hot lunch in the school cafeteria each day. The menu is published and distributed monthly. Any child choosing not to eat hot lunch should bring a cold lunch in a paper sack or a lunch box, marked clearly with the child’s name.

**Lunch tickets, in packets of 10, must be purchased from the lunch program in the provided envelope. Milk tickets can also be purchased in packets of ten.** Due to guidelines of the National School Lunch Program, all tickets must be accountable through the lunch program and may not be distributed through the school office. To order tickets, send payment in lunch envelope to child’s homeroom. Orders received will be filled the same day or the following day.

Milk may be purchased in the cafeteria or the child may bring juice in a box or plastic container. (NO pop or carbonated beverages are allowed.) No food/drink is to be taken out of the lunchroom. McDonalds, Burger King, etc., is NOT to be brought in.

If a child forgets his/her lunch, parents may drop off the lunch outside the school office. The office is not responsible for unclaimed lunches.

*Good behavior, cleaning up after oneself, and good manners are expected from students during lunch and recess.*

**MANNA**

St. Gerald School participates in the Manna Program. The school purchases certificates from the local and national stores at a discount and passes half of the profit as a tuition credit. These certificates are the same as cash and may be used to make purchases and, in some stores, to pay on credit card accounts. This program funds our Computer Lab.

**MARKET DAY**

Order Forms are distributed to the school once a month with pick up in Room 117 usually two weeks after. You may also place your order online at [www.marketday.com](http://www.marketday.com). Market Day pick up dates are listed in the school calendar. Detailed information about the Market Day Program can be obtained in the school office.

**MASS ATTENDANCE**

Students in grades 1-8 will attend Mass weekly. The entire student body attends Mass once a month on designated days and on Holy Days of Obligation. *This in no way takes the place of the weekend obligations.*

**MEDICATION**

Teachers or school personnel do not dispense medication to the students. If a physician requires a child to take medication during school hours, the following procedures must be followed:

**Form:** All medications must be accompanied by the –Administration of Medication Form[] accessible at the school office. Only one form is needed for medication that will be given for any length of time or for ongoing medications.
**Liquids:** Liquid medications must be sent in a bottle with only the dosage needed for that day. The student will take the premeasured medication in the office and then return home with the empty bottle that afternoon. School personnel will not be responsible for measuring medication.

*All medications must be brought into and kept in the school office to prevent misuse. If a parent/guardian determines it necessary for the child to carry an inhaler on his/her person, such a request must be submitted in writing to the principal. Teachers cannot hold inhalers for students. If it is the parent’s/guardian’s wish for the child to carry his/her inhaler, the child must carry the inhaler in a closed pouch.*

**PARENT GUARDIAN CONDUCT**

As partners in the education of children, the parent/guardian in the local school community is expected to demonstrate respectful behavior at all times with faculty, administration, support staff, students, and volunteers whether on or off school grounds or at school-related events. If, in the opinion of the principal, that partnership is no longer viable, the school reserves the right to require the parent/guardian to either remove their child (ren) from the school or not accept registration for the next school year.

Unacceptable behaviors include, but are not limited to: harassment, verbal abuse, assault of or threats to the faculty, administration, staff, students and volunteers of the school.

Parents/guardians who post defamatory or threatening statements about the school, its staff or students on social media can be required to remove the offensive material or withdraw their child (ren) from the school.

Ordinarily, a student is not to be deprived of a Catholic school education on grounds relating to the actions/attitudes of a parent/guardian. However, one of the following actions may be required to permit the continuation of the student in the school:

- schedule meetings between school staff and the parent/guardian outside of regular school hours in a monitored setting;
- conduct school business with the other parent/guardian of the student.

When, in the judgment of the principal, as confirmed by the pastor or juridic person, the behavior of a parent/guardian seriously interferes with teaching, learning or a positive school environment, the administrator may:

- inform the parent/guardians of their right to be present on school grounds is temporarily or permanently suspended;
- dismiss the child (ren) of the parent/guardian temporarily or permanently from the local Catholic school.

**PARENT REQUESTS**

Teacher requests will no longer be honored. Please trust the teachers to make informed and professional decisions about the placement of your child from year to year. We are aware of their learning and social needs.

**PARENT TEACHER COMMUNICATION**

If a parent has a question or concern about their child, they should always contact the classroom teacher first. The teacher is most familiar with the child and the circumstances surrounding the child’s progress. Miscommunications and misunderstandings can usually be avoided on both sides with a phone call. A conference with your child’s teacher can be requested by calling the teachers voicemail or sending a note through your child. If a parent/guardian does not receive a return call from the teacher within 48 hours, please call the principal. If parents and teachers are unable to come to a mutual agreement as how to best serve the student’s progress, the principal may be contacted.
PARENT TEACHER CONFERENCES

Teachers must meet with parents at least once a year for the purpose of discussing the academic progress of the child, along with the other matters of mutual concern. Conferences are scheduled at the end of the first quarter of the year. In the spring, optional parent teacher conferences will also be offered. Individual conferences are encouraged as needed throughout the year. Please do not hesitate to contact any teacher for a conference.

POLICY OF NONDISCRIMINATION

In accordance with the Chicago Archdiocesan Policy on discrimination in schools, St. Gerald School admits students of any race, color, gender, national, and ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students in the school.

St. Gerald School does not discriminate on the basis of gender, race, color, national and ethnic origin in its administration of educational policies, admission policies, loan programs, athletic or other school-administered programs.

REPORT CARDS

Report cards are sent home at the end of the four marking periods. Midterm progress reports for grades 1-8 are sent in the middle of each quarter. The progress report is not material for the student’s permanent record. It is simply to inform parents of progress well in advance of report card time. Report cards will be held if tuition is not paid up.

Safety Patrol adults are posted on the busiest intersections near the school by the Oak Lawn Police Department.
